BLOCK WARS: SAGA

EPISODE II

ATTACK OF THE SAND

EXT. SPACE

We pan up to reveal Coruscant. A little yellow Naboo fighter flies over followed by the big silver Naboo ship.

EXT. CORUSCANT LANDING BAY

The ships land on a hangar bay. Panaka steps out followed by Padme dressed as a gaurd.

PANAKA

Looks like there was no danger at-

The ship explodes.

PANAKA

(looking at Padme)

Oh thank god we used a decoy.

PADME

But, *I'm the decoy!*

PANAKA

W-what? Senator...

A beat.

PADME

(taking off her mask)

Pssh, nahh I'm the real Padme. Stop being such a little bitch all the time!

They walk off. The burnt corpse of Padme's decoy lays in front of the wreckage.

INT. PALPATINE'S SENATE CHAMBERS

Palpatine, Yoda, Padme and co. gather in Palpatine's office.

Again, Palpatine looks exactly like Darth Sidious the entire time yet no one puts two and two together.

(CONTINUED)

PALPATINE

Senator Padme, I haven't seen you
for an entire movie.

Yoda sits on the floor with a doobie in his mouth.

YODA

Good to see you alive, it is. Hit
this, would you like?

PADME

No thanks, I've got more pressing
matters. Someone is trying to kill
me and I think it's Count Dooku.

PANAKA

(aside)

That's a bit of a stretch.

MACE WINDU

Who the fuck is Count Dooku?

YODA

A jedi master, he once was.

MACE WINDU

We literally haven't heard this
dude's name until right now. Why do
you think he's behind this?

Padme looks squinty-eyed at Mace.

PADME

I just know.

MACE WINDU

(turns to Yoda)

And how do you know who he is and I
don't?

YODA

Invited to more parties, I am.

PALPATINE

Clearly there is a threat on the
senator's life, I suggest assigning
Jedi protection. Uhhh how about...

He pulls out a little black book, turns to a page that says
"Order 66," fingers down a list until he lands on "Obi-wan
Kenobi and Apprentice Anakin Skywalker."

(CONTINUED)

PALPATINE

(con't)

Obi-wan. Yeah, you remember
Obi-wan. And... *Anakin*.

Padme looks nervous.

EXT. CORUSCANT

An elevator moves up the side of a building approaching
Padme's quarters.

INT. ELEVATOR

Inside the elevator is Obi-wan and Anakin.

OBI-WAN

Coruscant is the headquarters for
both the galactic senate and the
jedi order and you haven't seen
Padme in ten years?

ANAKIN

(choking out one last baby
noise)

Blurg- (cough) I get busy, Master.

OBI-WAN

You're sweating. Ew.

Anakin looks around nervously.

INT. PADME'S APARTMENT

Padme walks into the room.

The elevator door opens.

OBI-WAN

Padme, what's up!

PADME

Obi-wan, my dude!

They fist bump.

ANAKIN

(whisper)

Wait you still hang out with her?

(CONTINUED)

OBI-WAN

(whisper)

I told you, we're literally always on the same planet, her and I play Sabacc on the weekends.

PADME

Anakin... you're actually a human being!

ANAKIN

Padme... you're shorter than I expected.

Padme gives Anakin a confused smile.

PADME

Alright, let's set up shop boys, I love true crime shows.

OBI-WAN

We're not here to start an investigation.

ANAKIN

But master, we're space cops.

OBI-WAN

(ashamed)

We are totally space cops.

EXT. CORUSCANT

The city lights twinkle as Jango Fett and Zam Wesell talk business.

JANGO FETT

Alright so, these are deadly space slugs.

ZAM WESELL

Space slugs? Can't we just shoot her?

JANGO FETT

If we were just going to shoot her then I, a bounty hunter, wouldn't have hired you, a second bounty hunter, to do this job.

(CONTINUED)

ZAM WESELL
This is... convoluted.

JANGO FETT
The Count has a flair for the
dramatics.

INT. PADME'S APARTMENT - BEDROOM

Padme sleeps in her bedroom. R2D2 is in sleep mode.

INT. PADME'S APARTMENT

The two jedi are outside keeping watch.

OBI-WAN
You look tired.

ANAKIN
I'm not sleeping.

OBI-WAN
Thinking of your mother again?

ANAKIN
She's back there on Tatooine...
surrounded by... so much... *sand*...

OBI-WAN
That's... weird...

INT. PADME'S APARTMENT - BEDROOM

Outside the window, a small probe droid slinks up to the window, cutting a small hole into the glass.

It begins to deposit the slugs.

INT. PADME'S APARTMENT

Obi-wan's head snaps up.

OBI-WAN
You sense that?

ANAKIN
No... but I *smell* space slugs.

(CONTINUED)

OBI-WAN
You have said nothing but weird
shit all day.

INT. PADME'S APARTMENT - BEDROOM

The two rush in igniting sabers, Anakin slicing the slugs in half.

Obi-wan looks out the window, seeing the droid.

OBI-WAN
Looks like I'm going to have to
jump!

(This is a Homestar reference)

He crashes out the window and grabs the droid. It flies into the city with Obi-wan hanging on.

ANAKIN
Fuck, now I gotta go catch him.

EXT. CORUSCANT

The droid flies through the city.

OBI-WAN
Hold on, why did I do this? Would
Qui-gon have done this?

Qui-gon's disembodied ghostly head fades on screen.

QUI-GON
No.

EXT CORUSCANT - PARKING LOT

Anakin quickly grabs a speeder and accelerates into traffic.

EXT CORUSCANT

Anakin speeds along traffic looking for Obi-wan and the droid.

He spots him and flies under.

Obi-wan sees and jumps down.

(CONTINUED)

OBI-WAN
Took you long enough.

ANAKIN
I mean if you want you could always
jump back onto the droid.

The droid flies over to Zam. She puts him into her speeder
and zooms off.

Anakin and Obi-wan speed by and see her.

OBI-WAN
There she is, follow her!

ANAKIN
I've got a better idea.

Anakin jumps out of the speeder and falls onto Zam's
speeder.

A beat.

OBI-WAN
(pissy)
No Obi-wan, jumping out a window
was too much Obi-wan. Now jumping
out a moving speeder, that's
practical Obi-wan.

EXT CORUSCANT - TRAFFIC

Anakin starts swinging his saber wildly at Zam's speeder.

He strikes a part of the engine.

EXT CORUSCANT

Zam's speeder comes crashing down and frantically crashes
into a crowd of people, killing several. Zam runs through
the nightclub nearby.

Anakin jumps off the wreckage.

Obi-wan zooms up in the speeder.

OBI-WAN
Anakin!

ANAKIN

She went into the nightclub,
master.

OBI-WAN

Oh damn, we always end up in a
nightclub and I'm never dressed for
it.

INT. NIGHTCLUB

The two walk in, people are having drinks and watching
podracing on holo-television.

Obi-wan walks through, Anakin goes around the crowd.

ELAN SLEAZEBAGGANO

Hey, you wanna buy some death
sticks?

OBI-WAN

Absolutely.

They spot her, she leaves out the back door.

ANAKIN

There she goes, out the back.

OBI-WAN

(to Elan)

Oh sorry friend, perhaps next time.

He walks away.

A beat.

He walks back.

OBI-WAN

(doing a jedi mind trick)

You want to give me free death
sticks.

ELAN SLEAZEBAGGANO

I want to give you free death
sticks.

EXT. CORUSCANT - BACK ALLEY

Anakin runs up on Zam and slices her with his lightsaber. She falls in shock.

OBI-WAN
Who hired you?

ZAM WESELL
Fuck you, Jedi pig.

ANAKIN
Who hired you? Tell us... tell us now!

ZAM WESELL
Ok, your weird anger has convinced me, it was a bounty hunter named...

Suddenly a zip of a dart. Zam twitches, blinks in surprise, and dies.

There is a woosh from above as Jango's jetpack takes off.

OBI-WAN
See? I told you, we should get jetpacks.

INT. PADME'S APARTMENT

Padme is packing her stuff.

PADME
That's it, I'm going back to Naboo.

ANAKIN
I've been assigned to go with you.

PADME
Great, now I've got the padawan to protect me.

ANAKIN
I'm a pretty accomplished Jedi, m'lady.

PADME
I suppose you have grown up, Anakin.

(CONTINUED)

ANAKIN

Obi-wan never sees it.

PADME

(to herself)

Oh here we go...

ANAKIN

(whining like a twelve year
old)

He's overly critical. He never
listens! He just doesn't
understand! He thinks I dress
goofy, he's always making fun of my
voice, he thinks I'm a dork! It's
just not *fair*!

Padme looks at one of her gaurds, pointing her fingers at
her head in a gun motion, pantomiming suicide.

EXT. CORUSCANT - DOCKING BAY

Obi-wan looks on at Anakin and Padme as they're about to
leave.

OBI-WAN

Good luck Anakin.

ANAKIN

And to you, master.

OBI-WAN

(to Padme)

I will get to the bottom of this
plot quickly, m'lady.

PADME

Right, cause you're space cops.

OBI-WAN

(ashamed)

Yeah, cause we're space cops.

INT. DEXTER'S DINER

Obi-wan makes his way into Dexter's Diner. A droid server
greet's him.

SERVER DROID

Can I help you?

(CONTINUED)

OBI-WAN
I'm looking for Dexter.

SERVER DROID
(loudly yelling)
DEXTER YOU FAT FUCK, YOU HAVE A
VISITOR!

Dexter Jettser labors out from behind the counter.

DEXTER JETTSTER
Obi-wan!

OBI-WAN
Hey, Dex.

DEXTER JETTSTER
You Jedi scumbag, how the hell are
ya? What can I do for ya?

OBI-WAN
(holding the posion dart)
Can you tell me anything about
this?

DEXTER JETTSTER
Huh, this belongs to them cloners
on Kamino.

OBI-WAN
Cloners? What do they do, bootleg
DVDs?

Dexter smiles.

DEXTER JETTSTER
No... they bootleg people...

EXT. NABOO

Anakin and Padme make their way down the streets of Naboo.

They see a resturant called "Space Tony's"

PADME
Oh this place is great, let's eat
here.

Anakin tries to go through the front door.

(CONTINUED)

PADME

No no, I used to be the queen, I
have my own private entrance.

They walk around back.

Padme walks over to the door and knocks. An overzealous
Italian man answers.

SPACE TONY

Oh mama mia! It's-a the queen!
Lemme get you the house-a special!

The two sit down in the alley at a makeshift checkered cloth
table. There's a wine bottle with a candle and some bread
sticks in a jar.

SPACE TONY

Only the best-a space spaghetti on
Naboo!

He walks out with a big plate of spaghetti and meatballs and
sets it on the table.

Padme, without using her hands, begins eating the spaghetti.

Anakin watches confused, looks at the spaghetti, shrugs, and
begins eating with his mouth.

The two start slurping on some noodles.

Space Tony walks out with an accordion and starts singing.

They continue eating spaghetti looking away from one
another, suddenly the noodle they're slurping is revealed to
be connected, as they pull in their lips touch and they
kiss. Anakin pulls away, embarrassed.

Padme starts using her nose to push a meatball to Anakin,
Anakin looks wide-eyed as the accordion swells.

They look lovingly into each other's eyes as the camera pans
up to laundry hanging from some buildings to the full moon.

ANAKIN

(v.o.)

Oh by the way, I'm a libertarian

PADME

(v.o.)

It's ok, you're hot.

DISSOLVE TO:

EXT. KAMINO

The full moon is out as a rainstorm surges on the planet of Kamino (it doesn't have to make sense).

We pan down to a platform hoisted above the sea.

Obi-wan's ship lands.

He walks up to the door, it opens to Taun We.

TAUN WE

Welcome to Tapioca city, Master Jedi. The prime minister is expecting you.

OBI-WAN

Tapioca?

TAUN WE

After all these years, we were beginning to think you weren't coming. Now please, this way.

INT. TIPOCA CITY

TAUN WE

May I present you Lama Su, prime minister of Kamino. And this is master Jedi...

OBI-WAN

Uhhh... *old Ben.*

LAMA SU

Hello Old Ben.

TAUN WE

You'll be delighted to know that we are on schedule.

LAMA SU

Two hundred thousand units are ready, with another million on the way.

OBI-WAN

That is... quite a lot of disposable people.

(CONTINUED)

LAMA SU

I'm sure your Master Sido-Dyas will
be most pleased.

OBI-WAN

Sido-Dyas???

LAMA SU

Yes, he was very specific about the
pronunciation of his name.

Lama holds out the contract for the order signed, on the
line is clearly the name Sidious but crossed out and
rewritten as Sido-Dyas.

LAMA SU

Here, let me show you our progress.

INT. TIPOCA CITY - CLONE BARRACKS

Lama Su shows Obiwan through several different cloning
areas.

There are babies being grown in tubes.

Children aged clones learning their drills.

Thousands of identical men, all wearing the same jumpsuit
and eating food.

Finally a large parade area where the clones are in full
white armored regalia, marching in formation.

CLONE TROOPER 1

(heavy Australian accent)

Oi! Fahkin' bloody oath mate.

CLONE TROOPER 2

The bloody brass tube circled the
bloody high wall. Fahkin' fair
dinkum cobber.

OBI-WAN

Are there other settings for the
voice?

TAUN WE

We also have posh English, rowdy
New Englander, and even slightly
annoyed Irish.

(CONTINUED)

OBI-WAN
Oh, well I'd much prefer the posh
English.

TAUN WE
Perfect, the vocal implants will
cost about 25 credits.

OBI-WAN
Hmm, 25 isn't so bad...

TAUN WE
Per clone.

OBI-WAN
Oh...

TAUN WE
Of course, the default is drunken
Australian as per the original
host.

OBI-WAN
Who was the original host?

LAMA SU
A bounty hunter called Jango Fett.

OBI-WAN
Where is he now?

LAMA SU
We keep him here, we let him live
here rent free in exchange for his
genetic material.

OBI-WAN
Sounds like my ex-husband. Can I
meet him?

TAUN WE
Of course, I will arrange a
meeting.

LAMA SU
I'm so glad you finally came Master
Old Ben, we've desperately need to
give a receipt of sale so we can
clean out our invoices.

A droid with a receipt machine buzzes over.

(CONTINUED)

LAMA SU
Here we are, allow me.

He presses a button on top of the droid's head and a sheet of receipt paper begins to chug out.

CLOSE UP: We see that each line item reads "Clone Trooper x1" "Clone Trooper x1" "Clone Trooper x1" etc.

LAMA SU
Sorry, this could take awhile.

OBI-WAN
Great, let me just go contact the
jedi council and we can get this
all in our books...

He tries to be cool but immediately runs out of the city to his ship.

EXT. KAMINO

He quickly approaches his ship and begins relaying a message to the Jedi Council.

OBI-WAN
Master Yoda, come in.

INT. JEDI COUNCIL

The hologram fades in and out next to Yoda. He is passed out, sitting up, sleeping soundly next to a bong.

OBI-WAN
(v.o.)
I've never heard of a master
Sido-Dyas before have you?

Yoda continues to sleep.

EXT. KAMINO

OBI-WAN
Blast, master Yoda... Mace?
Anybody? Bloody potheads...

INT. NABOO PALACE BEDROOM

Anakin is asleep having bad dreams.

ANAKIN

No.... nooo... mom... no don't go
in there.... it's a sand castle
mom.... no.. mom no.. mom... SAND!

He's jostled awake by his own mind.

Padme, already in the room, looks up at him.

PADME

What's wrong Anakin?

ANAKIN

I had another dream...

PADME

About your mother?

ANAKIN

About sand... I need to go back to
Tatooine.

PADME

Ok...

INT. TIPOCA CITY

Obi-wan is still watching the receipt machine, it's reached several feet in length.

TAUN WE

Master Old Ben, we have Jango ready
for you.

OBI-WAN

Oh thank the force.

INT. TIPOCA CITY - JANGO'S APARTMENT

In the hallway Taun We show's Obi-wan to Jango's door.

She knocks. Boba Fett opens the door.

TAUN WE

Boba, is your father here?

(CONTINUED)

BOBA FETT
Yeah he's fucking here, cunt.

TAUN WE
May we see him?

BOBA FETT
Nick off.

Boba steps aside to reveal his father, Jango.

JANGO FETT
G'day.

TAUN WE
Welcome back Jango, was your trip
assassinating senator Amidala
productive?

OBI-WAN
Your trip doing what?

TAUN WE
Yes, Jango here was hired by Count
Dooku to assassinate a senator from
Naboo.

Jango is making neck cutting motions to Taun We.

TAUN WE
This is Jedi master Old Ben. He's
come to check on our progress with
the secret republic clone army.

OBI-WAN
Oh I am going to arrest you so
hard-

Jango decks Obi-wan in the face.

EXT. KAMINO

Jango stands in front of the Slave I as two Kaminoians carry
Obi-wan on a floating stretcher.

JANGO FETT
Put Master Old Ben into the cargo
hold.

SMASH CUT TO:

INT. GENONOSIS - DOOKU'S LAIR

Obi-wan is being hung by his hands and his feet in some floating contraption. Count Dooku is pacing around the room.

COUNT DOOKU
Master Kenobi! Such a pleasure to
have you here!

OBI-WAN
Fuck.

EXT. TATOOINE

The silver Naboo ship makes its way down to Tatooine's surface, landing at the Lar's Homestead.

As Anakin and Padme get out they see two droids, one is C3P0 who now has his covering but is a dull brown metal.

C3P0
Good evening. May I help you?

ANAKIN
3P0?

C3P0 stares blankly at Anakin.

ANAKIN
3P0, it's me, Anakin.

C3P0 stares directly at Anakin. His eyes slowly glow red. Suddenly he short circuits for a second, his eyes go back to their original color.

PADME
Hello C3P0.

C3P0
I imagine that master Anakin has
told you very much about me, his
only *creation*.

PADME
Actually, not a lot.

C3P0
How wonderful, forgotten as usual.

Anakin makes his way off the ship, looking at the sand around him.

(CONTINUED)

ANAKIN
(strained)
There's so much sand!

There is sand everywhere.

ANAKIN
(angrier)
There's sand in my paaaants!

Everything is sand.

Owen Lars makes his way over.

OWEN LARS
Hey, Anakin. So turns out my dad
married your mom, I guess we're,
like, brothers now.

ANAKIN
Sand. I've come to end the sand.

OWEN LARS
We were going to invite you to the
wedding but some Sand People
attacked the village.

Anakin snaps and looks at Owen.

All he can hear are the words "sand" "people" echo through
his head, emphasis on sand.

Anakin's pupils dilate to an extreme level.

ANAKIN
People... made... of sand?

OWEN LARS
Well I think it's more like a
nickname...

Anakin turns around and gets on a speeder bike and zooms
off.

Padme looks off at Anakin, then back to Owen and his family.

PADME
So... you're Anakin's brother...?

INT. GENONOSIS - DOOKU'S LAIR

COUNT DOOKU

(fake sincerity)

Oh no, my friend, this is a mistake
surely they've gone too far.

OBI-WAN

I'm sure this had nothing to do
with you.

COUNT DOOKU

(fake sincerity)

I will petition to have you taken
down immediately.

OBI-WAN

Well I hope it doesn't take too
long.

COUNT DOOKU

Yeah you're right I don't care. So
what are you doing here Obi-wan?
And why do the yocals keep calling
you Old Ben?

OBI-WAN

I'm on a secret mission looking for
Jango Fett. That was my secret
name.

COUNT DOOKU

And Qui-gon spoke so highly of you.
Look, Jango Fett is here on
Geonosis, the republic is under the
control of a sith lord, and the
dark side of the force is clouding
your vision. Or maybe the pot is,
honestly I don't know. Look, I've
got a colloseum to get ready for
your execution, good luck.

He leaves.

Obi-wan shuffles himself to have a handheld communicator
fall out.

It turns on and sends a message.

OBI-WAN

Anyone reading me, please, help.
I'm on Geonosis, Count Dooku is
here, there's a clone army, holy

(MORE)

(CONTINUED)

OBI-WAN (cont'd)
fuck, someone, anyone, Anakin,
Mace, Master Yoda, someone.

INT. JEDI COUNCIL

The message plays.

Yoda sits, snoring loudly.

EXT. TATOOINE

Padme sits awkwardly with Owen, Beru and Shmi.

Anakin comes swooshing back on his speeder bike. He and the bike are covered in blood.

ANAKIN
I killed the sand.

PADME
You... you did?

ANAKIN
The women. And the children, too.

PADME
Great, glad you solved this
problem, you wanna go save Obi-wan?

ANAKIN
What's wrong with Obi-wan?

She holds up the hologram message.

ANAKIN
Clone army? Count Dooku? Geonosis?

PADME
Do you think he needs our help? Or
is he drunk dialing during some
weird BDSM thing.

ANAKIN
No he's not a sub, we've got to get
to Geonosis. Come on, we'll call
Mace along the way.

INT. NABOO SHIP

ANAKIN

(as dramatically as possible)
 Alright, arm the proton canons, set
 the navigators, warm up the
 hyperdrive. We're gonna go save
 Obi-wan.

SMASH CUT:

EXT. GEONOSIS - COLOSSEUM

Anakin and Padme are tied up next to Obi-wan.

OBI-WAN

Well, you know, at least you tried.

ANAKIN

Shut up.

C3P0 makes his way into the colosseum.

C3P0

I've snuck onto the ship just to
 spite you, father.

EXT. GEONOSIS - COLOSSEUM - BALCONY

COUNT DOOKU

Distinguished guests! Geonosians!
 Random battle droids!

EXT. GEONOSIS - COLOSSEUM

DROID

Oh oh! He's talking about us!

EXT. GEONOSIS - COLOSSEUM - BALCONY

COUNT DOOKU

You have been sentenced for
 oppositions to the separatist
 movement

EXT. GEONOSIS - COLOSSEUM

OBI-WAN
But we haven't had a trial!

EXT. GEONOSIS - COLOSSEUM - BALCONY

COUNT DOOKU
Your sentence of death is to be
carried out in this public arena
henceforth!

The crowd cheers.

EXT. GEONOSIS - COLOSSEUM

PADME
(whisper)
Hey, Anakin, if we don't make it
out of here, just so you know, I-

ANAKIN
(whisper)
I love you too.

PADME
(whisper)
- think you're rally hot.

Beat.

ANAKIN
(whisper)
Do you wanna get married after
this?

PADME
(whisper)
Okay but we're hyphenating because
Pad Me Sky Walker sounds like a
porn name.

Suddenly, hree large monsters are released into the arena
one for each of them.

Padme begins shuffling up her pole using her chains.

OBI-WAN
Take the one on the left, I'll take
the one on the right.

(CONTINUED)

ANAKIN

What about Padme?

Padme using sheer strength pulls her pole irectly out of the ground and holds it over her head like a mallot.

She begins beating the shit out of all three monsters at once.

OBI-WAN

It looks like she's already on top of things.

ANAKIN

That's my girl!

OBI-WAN

Your what?

ANAKIN

That's our mutually platonic senator!

EXT. GEONOSIS - COLOSSEUM - BALCONY

NUTE GUNRAY

Wha- she can't do that... shoot her or something!

Jango jumps down with his jetpack to try and stop them.

EXT. GEONOSIS - COLOSSEUM

Padme is violently beathing to death the last monster, green blood splattered on her face.

C3P0

Yes, use your anger, let it flow through you.

Jango approaches her his blaster raised.

Suddenly from above a distant scream grows louder.

From the sky drops Mace Windu, his purple saber already out.

MACE WINDU

You done fucked up now!

(CONTINUED)

JANGO FETT

Please, my son is watching.

Boba Fett watches in the distance.

MACE WINDU

Why the fuck did you bring your kid
to an execution?

JANGO FETT

I've read the books, it's important
for his development!

He holds up a book/phamplet titled "So You've Cloned
Yourself"

Without warning, a republic gun ship crashes into the arena,
crusing Jango instantly. His helmat bounces over to Boba.

Anakin and Obi-wan look up to see several gunships also
descending into the arena, clones literally spilling out of
some.

Master Yoda looks out the side of the ship as they descend.

A giant battle between droids and clones commences.

The jedi proceed to mercilessly chop through droids like
butter.

Obi-wan looks over to Yoda.

OBI-WAN

Yoda you never answered my calls!

YODA

Got your voicemail, I did!

EXT. GEONOSIS - COLOSSEUM - BALCONY

Count Dooku sees the turmoil and begins to frantically run
away.

EXT. GEONOSIS - COLOSSEUM

ANAKIN

Master! Count Dooku!

OBI-WAN

Let's go tear him a new asshole!

The two run off.

He walks off to find them.

INT. GENONOSIS - HALLWAY

Dooku turns around to see Anakin and Obi-wan behind him.

COUNT DOOKU

Obi-wan! Or should I call you Old Ben?

ANAKIN

Old Ben?

OBI-WAN

It's my... secret name...

COUNT DOOKU

Listen, boys, this movie is almost over and I've got shit to do.

OBI-WAN

Alright, we take him together.

ANAKIN

LEEEYRROOOOO JEEENKINS

OBI-WAN

Oh that is a dated meme.

Anakin rushes in to swipe at Dooku but immediately has his arm cut off.

COUNT DOOKU

Ha! I *de-armed* you!

OBI-WAN

Oh this is just annoying.

He runs in to attack Dooku but is swept away in a force push and knocked to the ground next to Anakin.

OBI-WAN

Oh the force are we pathetic.

ANAKIN

Hey at least you still have both limbs.

COUNT DOOKU

This is it? This is the best the jedi can offer?

(CONTINUED)

Suddenly a droid is force pushed across the screen, Dooku turns to look.

Yoda enters the battle, quickly force pushing some more droids out of the way.

COUNT DOOKU
Master Yoda, finally a challenge.

YODA
Count Dooku, our odor, the most challenging thing about you.

COUNT DOOKU
I told you about that in confidence!

They lunge at each other.

The begin slapping each other with little to no effect. A slapping sound is heard.

OR

The begin straining to use the force but can only kick up a dirt cloud.

COUNT DOOKU
It is obvious that this contest cannot be decided by our knowledge of the force... but by our skills with a lightsaber.

He unsheathes his saber as does Yoda.

Yoda lunges at him and begins frantically swinging around Dooku, too fast for him to even see.

COUNT DOOKU
What the- what the fuck?

Yoda is just bouncing like a mad lad.

COUNT DOOKU
Alright, I'm out, this is weird.

Dooku leaves with Yoda still bouncing around.

OBI-WAN
Master Yoda, what was in that weed?

YODA

Green Door Down, it was called.
Poured a redbull into my bong I
did.

A clone trooper rushes in.

CLONE TROOPER

Oi, General Yoda, mate! Gotta get
ya bloody ass outta here right
quick eh?

EXT. CORUSCANT - SECRET LANDING PAD

Count Dooku's ship lands on the platform, the Count stepping
out to meet Palpatine.

COUNT DOOKU

Lord Sidious.

PALPATINE

Welcome back, Lord Tyrannus. Did
you pick up the groceries I asked
for?

COUNT DOOKU

No, sir. I was busy starting the
war with the republic.

PALPATINE

But we are out of frozen yogurt.

COUNT DOOKU

I have already taken the liberty of
restocking it this morning, my
Lord.

PALPATINE

Ah, excellent... everything is
going as planned.

INT. JEDI COUNCIL

Obi-wan, Mace and Yoda all sit together after the day's
events. They look out the window at the sunset.

OBI-WAN

You know, not a lot happened this
movie.

(CONTINUED)

MACE WINDU

It was the middle chapter, most of this will get resolved next time.

YODA

Resolved? Resolved you say?

Obi-wan turns to look at Yoda.

YODA

Not resolved, more movies there still are. Begun, the Star Wars have!

OBI-WAN

You know... you that's a really good name, we should use that.

MACE WINDU

We can bring that back to the council.

EXT. CORUSCANT

A giant army of clones march in front of a balcony.

Palpatine looks over his new army.

Large starships fly overhead.

PALPATINE

This is fucking sick.

EXT. NABOO

Sunset. A wedding scene. Anakin and Padme are getting hitched. R2D2 and C3P0 look on. R2's beeps are translated.

C3P0

Even my father does not deserve this harpy.

R2D2

They seem happy.

C3P0

Yes... for now...

His eyes blink red.

The holy man pronounces them and they hold hands looking off into the sunset.

(CONTINUED)

They embrace, they kiss.

Padme looks up at Anakin.

PADME
When do we sign the pre-nup?

IRIS OUT

CREDITS

INT. JEDI COUNCIL

Yoda sits alone at a desk, writing a memo.

On the top of the letter heading it reads:

"YODA'S MILITARY LOG: THE STAR WARS"

He seems pleased with himself.

Suddenly, behind him, two IG droids wearing mickey mouse ear caps walk sternly into his office.

IG-WD
Are you, Master Yoda?

YODA
Mmm, yes.

IG-WD
Don't make us come back here.

He hands him a peice of paper.

The two dorids walk out.

Yoda looks down at the paper.

It reads: "CEASE AND DESIST NOTICE"

YODA
Boy Howdy.

The two droids shut the door.
