BLOCK WARS: SAGA

EPISODE III

YOU WILL SITH BRICKS

EXT. SPACE

Pan down to a republic cruiser looms over Corescant as two jedi starfighters zip by.

INT. ANAKIN'S COCKPIT

ANAKIN

Which one of these big ass ships
has the chancellor on it?

INT. OBI-WAN'S COCKPIT

OBI-WAN

Uhh... that one?

Obi-wan points at a ship.

INT. ANAKIN'S COCKPIT

ANAKIN

Alrighty...

He pulls on his trigger.

EXT. SPACE

Anakin's ship fires. One of the larger separatist ships
explodes.

INT. OBI-WAN'S COCKPIT

OBI-WAN

Anakin what the fuck!? We're trying
to rescue the chancellor not blow
him up!

INT. ANAKIN'S COCKPIT

ANAKIN
We... we aren't?

R2D2 beeps in response, his sounds translated as subtitles.

R2D2
What part about "go rescue the
chancellor" said "commit murder" to
you?

ANAKIN
If we kill General Greivous we can
end the war, it's what Palpatine is
always telling us. He'd be about
this plan!

INT. GREVIOUS' CRUISER - UPPER DECK

Palpatine sits waiting in a chair, his arms tied down.

He senses something in the force.

PALPATINE
I am not about this plan.

INT. OBI-WAN'S COCKPIT

OBI-WAN
As much as I'd like to, we have a
mission Anakin.

His cockpit blinks and beeps an alert.

OBI-WAN
There's Greivous' ship up ahead.

EXT. SPACE

The two ships fly as fast as they can into the hangar door,
absolutely obliterating everything to come in contact with.

INT. GREVIOUS' CRUISER - HANGAR

The two ships skid to a halt in a flurry of sparks, crushing
countless battledroids in the process.

Anakin and Obi-wan jump from their ships and begin
annihilating droids with their sabers.

(CONTINUED)

OBI-WAN
I have a bad feeling about this.

The two jedi walk over to the elevator door.

OBI-WAN
R2, you and R4 get over here.

R2 pops out of Anakin's fighter and looks back at Obi-wan's ship then back to Obi-wan.

R2D2
Who's R4?

OBI-WAN
My droid, he's over there in my-

Suddenly Obi-wan's ship explodes into a fireball. R2 seems unphased.

R2D2
Right, so just me.

R2 rolls over.

OBI-WAN
Today is going to be one of those days...

R2 accesses a data stick on the computer and begins displaying a holographic map of the cruiser.

ANAKIN
Look, master. The only lifeforms on the ship are on this observation tower.

OBI-WAN
Neat-o, we're going up!

He calls the elevator with a button.

It dings and opens.

They step on.

INT. GREVIOUS' CRUISER - ELEVATOR

On board the elevator are several battle droids but they don't seem to realize that the two jedi are the enemy.

Elevator music plays.

(CONTINUED)

DROID 1
Huh, Mondays, am I right?

DROID 2
Can you believe I'm on tower duty again?

DROID 3
(to Anakin)
What are you guys here for?

ANAKIN
We're here to rescue the chancellor.

DROID 1
Ahh, cool cool, we're on our way to guard the chancellor from you.

OBI-WAN
Do you enjoy this line of work?

DROID 2
Eh, it's a living.

INT. GREVIOUS' CRUISER - UPPER DECK

The elevator dings and the doors slide open.

ANAKIN
(laughing)
Oh you guys are hilarious!

OBI-WAN
(laughing)
You mean to tell me he lost both of his arms and kept trying to fire?!

DROID 2
(laughing)
Yes! He was a legend!

ANAKIN
(laughing)
Alright, well looks like this is our floor, be seeing you around!

DROID 3
You guys take care!

The whole party leaves the elevator together. A super battle droid nearby spots them.

(CONTINUED)

SUPER BATTLE DROID
Hey! It's the two jedi! Get them!

DROID 1
Die jedi scum!

The droids start firing, Anakin and Obi-wan deflect their blasts and take out the super battle droid, then slash through the other droids.

DROID 1
(dying)
Really... good... job... guys

Anakin stabs it. Te two jedi move toward Palpatine.

PALPATINE
Took you both long enough.

OBI-WAN
We got lost in traffic, perhaps you haven't been looking outside but there's a pretty busy battle going on.

PALPATINE
Oh you're right, lemme just turn to look out the window-

He pantimines trying to turn but can't because of his braces.

PALPATINE
(con't)
- oh nooo, can't seem to move.

ANAKIN
Look, Chancellor Palpatine, we're here to rescue you.

PALPATINE
(sarcastic)
Oh no, look behind you, it's Dooku.

They both turn around.

COUNT DOOKU
(sing songy)
Helloooo!

ANAKIN
Hey that's that dude that cut off my arm!

PALPATINE
(under his breath)
This is really my new apprentice?

Obi-wan and Anakin approach him.

OBI-WAN
Now listen Anakin, last time we got
our shit handed to us and Yoda is
not here to bail us out again.

ANAKIN
Did you bring any redbull?

OBI-WAN
I did not.

Count Dooku goes to jump from the staircase to the floor
below but trips and falls face first with a splat.

ANAKIN
Did we... did we win?

COUNT DOOKU
(getting up, in pain)
No! No, sorry, legs aren't what
they used to be...

ANAKIN
I kinda feel bad fighting an old
man.

Obi-wan walks over and trips Dooku again, he falls a second
time.

OBI-WAN
Sith lords are our specialty.

Anakin walks over to the tripped Dooku and picks up his
saber, now holding his own in one hand Dooku's in other.

PALPATINE
Good, Anakin, good. I knew you
could do it. Kill him. Kill him
now!

COUNT DOOKU
What? But I didn't even-

ANAKIN
Okay.

He slices off Dooku's head.

OBI-WAN

What the fuck! Ok Anakin, you are in some kind of mood today, this is your second murder and it's not even breakfast.

PALPATINE

He was too dangerous to be left alive.

OBI-WAN

He was clearly a frail old man! Who knew about a sith lord controlling the government!

PALPATINE

How unfortunate for him, let's leave boys.

Anakin and Palpatine begin leaving, Obi-wan looks on in soft shock.

EXT. CORUSCANT - LANDING PLATFORM

The small shuttle carrying Anakin, R2, Obi-wan, and Palpatine lands. C3P0, Bail Organa, Padme and other senators await them.

They exit the shuttle.

MACE WINDU

Chancellor Palpatine! It's good to see you alive.

PALPATINE

Thanks of course to your jedi knights! They killed Count Dooku, but General Grievous has escaped once again.

MACE WINDU

I'm sorry they did *what*?

PALPATINE

Well specifically Anakin killed Count Dooku.

MACE WINDU

Who is General Grievous?

(CONTINUED)

OBI-WAN

He's like a robot lizard? It's weird, they explained him in the cartoons.

MACE WINDU

Why am I always the last to know about shit?

Anakin walks past the crowd to see Padme, R2 follows.

PADME

Hey Ani, thought you might have died.

ANAKIN

Nah, I'm alive.

PADME

That's cool- anyway, speaking of lameass shit, I guess I'm PREGONTE.

ANAKIN

You're what?

PADME

Knocked up, big guy. We got a bun in the oven.

ANAKIN

This is... good news!

PADME

It's alright.

The two continue walking.

C3P0

I hate that woman more than I despise father.

R2D2

Nah, Anakin killed a defenseless old dude today.

C3P0

Ah, classic father.

INT. PALPATINE'S OFFICE

Anakin enters to see Palpatine at his desk.

ANAKIN

You wanted to see me, Chancellor?

PALPATINE

Yes, Anakin my boy, I have something urgent I need to tell you.

They walk over to a window and look out over the city.

PALPATINE

I have a feeling that we cannot trust the jedi.

ANAKIN

(disbelife)

You don't say?

PALPATINE

Yes! I think they are trying to overthrow me!

ANAKIN

Even Yoda?

PALPATINE

Even Yoda.

ANAKIN

(to himself)

But he's so small...

PALPATINE

Listen, to make sure that there's no funny business, I have personally appointed you as my own representative on the jedi council.

ANAKIN

Me? A Master?

PALPATINE

Yes!

ANAKIN

Oh boy!

INT. JEDI COUNCIL

The jedi all sit around, no one is really saying anything.

Anakin walks in.

ANAKIN

Hey guys! So looks like I'm the newest member to the council!

YODA

Hmm? Oh, yes, welcome you are Skywalker. Have a seat, you may.

Anakin sits down next to Obi-wan.

ANAKIN

I have always wanted to know how these meetings go.

MACE WINDU

Oh they are very exciting.

YODA

Here everyone is, start the meeting we can.

OBI-WAN

Finally.

They all pull out bongos from behind their chairs and start ripping.

Anakin smiles and look around as the jedi's all bubble.

Silence.

As he blows smoke, Ki-Adi-Mundi, attending via hologram, has an epiphany.

KI-ADI-MUNDI

(blowing smoke)

Wwwwwhat about the droid attack on the wookies?

Everyone looks surprised.

YODA

Oh! Forgot, I did.

Yoda gets off his chair and waddles awkwardly toward the door.

(CONTINUED)

ANAKIN

So, uh, when do I get a bong?

MACE WINDU

You are on this Council, but we do not grant you the rank of Master.

He extends his hand, CUT TO a hyper-realistic hand holding a burnt out joint on a roach clip. Anakin takes the roach with a puzzled look on his face.

INT. JEDI COUNCIL - HALLWAY

ANAKIN

It's not fair, put me on the council but not grant me the rank of master

OBI-WAN

Look, Anakin, you're in a very special position here. The chancellor trusts you.

Anakin's eyes squint.

ANAKIN

(annoyed)

You want me to spy on the chancellor?

OBI-WAN

(relief)

We want you to spy on the chancellor, yes.

Beat.

OBI-WAN

And bring snicks to the meetings.

INT. OPERA HOUSE

Palptine watches an opera with bubbles or something.

Anakin approaches.

ANAKIN

You wanted to see me, Chancellor?

(CONTINUED)

PALPATINE

Ah, yes Anakin. Sit down, sit down.

He turns to his aids.

PALPATINE

Leave us.

They go, Anakin sits.

PALPATINE

Did you ever hear the tragedy of
Darth Chungus "the lorge?"

ANAKIN

Chungus?

PALPATINE

It was a popular meme at the time.
It's not a story the Jedi would
tell you. Darth Chungus was a Meme
Lord of the sith, so powerful a
sithposter that he could keep his
memes from dying.

ANAKIN

He could actually keep memes
relevant?

PALPATINE

The dark side of the force is a
pathway to many abilities some
consider to be unnatural.

ANAKIN

What happened to him?

PALPATINE

He taught his apprentice everything
he knew, but then his apprentice
created a better meme than him and
it killed him.

ANAKIN

Is it possible to learn this power?

PALPATINE

Not from a Jedi...

INT. PADME'S ROOM

Padme is packing some things as she plans to leave for Naboo.

Obi-wan walks in.

PADME
Obi-wan, it's good to see you.

OBI-WAN
Padme... I need to speak with you.

PADME
Oh?

OBI-WAN
It's about Anakin...

PADME
You know about the baby?

OBI-WAN
The... the baby?

PADME
And our secret romance? We were married two years ago.

OBI-WAN
You got... married?

PADME
Obi-wan you can't tell the council, Anakin will be kicked off... and he'll have less money when I divorce him.

OBI-WAN
Woah, okay, hold up. All I was going to ask was that the next time you see Anakin if you could give him our shopping list for the munchies for the next council meeting.

He gets up and leaves.

OBI-WAN
I'm gonna... pretend I didn't hear any of that.

INT. JEDI COUNCIL

The jedi are meeting again, all of them ripping their bongs as usual. Anakin has some grocery bags surrounding him.

He lightly snacks on some candy.

ANAKIN

So... any word on Grievous yet?

OBI-WAN

(high)

We have heard word... he is on
Up... Uta... Utapau.

Yoda is attending via hologram.

YODA

(high)

Send someone, we should.

MACE WINDU

(high)

I nominate... Obi-wan.

OBI-WAN

(high, annoyed)

I went on the last thing.

ANAKIN

Oh, I'll go with you master.

MACE WINDU

(high)

We need you here... you're our
greatest asset in this war.

ANAKIN

Ah, I see.

MACE WINDU

(high)

Anakin, it's not that I don't trust
you, but the last time you went on
a mission an old man ended up dead.

YODA

(high)

Settled it is, Obi-wan shall go.

He gets up and waddles out of the room in a similar manner as Yoda did before.

Beat.

(CONTINUED)

ANAKIN
I hate this.

EXT. UTAPAU

Obi-wan surveys a canyon teaming with battle droids. General Grievous is just below. Nute Gunray and co are also attending.

Obi-wan watches.

GENERAL GRIEVOUS
Soon the armies of the republic
will be here, I am sending you to
Mustafar for your own safety.

NUTE GUNRAY
You know, honestly after all these
years I'm just happy to still be
included.

The group begins to leave.

Obi-wan takes his chance and jumps down to meet the general.

OBI-WAN
Hello there.

GENERAL GRIEVOUS
General Kenobi!

OBI-WAN
(optimistic)
Hello there!

GENERAL GRIEVOUS
(optimisitc)
General Kenobi!

OBI-WAN
(confused)
Hello there?

GENERAL GRIEVOUS
(annoyed)
General Kenobi.

OBI-WAN
(stern)
Hello there.

(CONTINUED)

GENERAL GRIEVOUS
Enough of this.

The general throws two body guards at Obi-wan, their purple electric staffs buzzing as they spin.

Obi-wan ignites his saber and cuts through them quickly.

OBI-WAN
(defiant)
Hello there.

GENERAL GRIEVOUS
You fool! I have been trained in your jedi arts by Count Dooku himself!

He pulls out two light sabers and ignites them.

OBI-WAN
Yes, a geriatric old man.

GENERAL GRIEVOUS
Garr!

His arms separate to reveal more arms, each holding a different lightsaber. They all ignite together.

He begins spinning them wildly.

INT. PALPATINE'S OFFICE

Anakin is hanging out with Palpatine.

ANAKIN
Chancellor, we've received news that Obi-wan said "hello there" to Grievous.

PALPATINE
Ah, most excellent. It's a pity they didn't send you.

ANAKIN
I wish. It's so frustrating not being on the council but not even getting my own bong.

PALPATINE
They've not made you the rank of master?

Anakin shakes his head sadly.

(CONTINUED)

PALPATINE

They see you as a threat to their power. You are strong, let me teach you the more subtle arts of the force.

ANAKIN

How do you know so much about the force?

PALPATINE

I don't know how many more hints I've got to drop homedawg, but I am a sith lord.

ANAKIN

A sith lord???

PALPATINE

Anakin, you hate the jedi! I can make you a meme lord sithposter-more powerful than master Yoda. Together we can smoke the dankest kush.

ANAKIN

No! My wife Padme still loves me and she'd never let me go down this path, I'm turning you in!

He runs off.

Palpatine sits behind his desk, chuckling to himself.

EXT. UTAPAU

Obi-wan and Grievous are locked in heated saber combat.

GENERAL GRIEVOUS

Kenobi! Give in! You are no match for my many, many arms!

OBI-WAN

You do have an impressive number of appendages.

Grievous knocks Obi-wan off to the side, sending his saber out of his hand.

Obi-wan sits up and finally gets a look at Greivous' chest. There's a large target printed on it that says "DO NOT SHOOT A LASER BOLT HERE I MEAN IT."

(CONTINUED)

Greivous slashes at Obi-wan again sending him flying to the edge of the platform. He sees a blaster rifle next to him which he quickly grabs and fires at the spot on Greivous' chest.

Greivous bursts into flames and groans. Obi-wan keeps firing relentlessly.

He gets up and walks over to Greivous' flaming corpse.

OBI-WAN
Goodbye there.

Beat.

OBI-WAN
Wait no that's stupid.

INT. HANGAR BAY

Clone troopers scuttle about and prepare to load onto the many ships docked there. Anakin approaches Mace Windu.

ANAKIN
Master Windu, I have urgent news.

MACE WINDU
We've just received word that
Obi-wan has said "goodbye there" to
Greivous.

ANAKIN
He said what?

MACE WINDU
He killed him. We're going to the
chancellor's office now to release
him of his emergency powers.

ANAKIN
I'm afraid he won't. He's a sith
lord.

MACE WINDU
A sith lord?

ANAKIN
Yes... a sith poster.

MACE WINDU
We must move quickly if the Jedi
order is to survive.

INT. PALPATINE'S OFFICE

A large door opens, Mace enters followed by Kit Fisto and Saesee Tiin. They move in formation.

Palpatine turns around in his chair as they arrive.

PALPATINE

Master Windu, I take it Anakin has informed you that I am indeed a sith lord.

MACE WINDU

I've always suspected you.

PALPATINE

What gave it away? Was it the hood?

MACE WINDU

In the name of the galactic senate of the republic, you're under arrest.

The kedi take out their sabers.

PALPATINE

Kinky.

MACE WINDU

The senate will decide your fate.

PALPATINE

I am the senate.

KIT FISTO

Well I wouldn't go that far-

PALPATINE

Alright... I'm only the House of Representatives. But it's the same branch!

Palpatine produces a saber from his robes and lunges toward the jedi, spinning mid-air and growling.

He immediately dispatches Kit Fisto and Saesee Tiin then turns his attention toward Mace.

They begin to fight through Palpatine's office, eventually making their way over to the window.

Anakin comes in through the door holding snacks.

(CONTINUED)

ANAKIN

Ok Master Windu, I was able to get the cheese poofs but they were out of- oh snap I missed everything!

Mace swings triumphantly and knocks Palpatine back to the edge of the window, crashing the glass around them.

MACE WINDU

You are under arrest!

PALPATINE

Anakin! I told you the jedi are lame! They made you run and get snacks while all the cool lightsaber duels are happening!

MACE WINDU

Your memes are weak old man! Weak as balls!

PALPATINE

No, no, no, no you will balls!

MACE WINDU

What?

Palpatine shoots lightning out of his hands, Mace blocks it with his saber.

PALPATINE

Anakin help me!

ANAKIN

Look Palps you're cool and all but I've got my wife and kids to think about...

PALPATINE

Oh... what's that? On my desk over there? Are those... divorce papers? Signed by... Padme?

CUT TO Palpatine's desk where there are indeed divorce papers.

MACE WINDU

I hope you signed... a prenup!

PALPATINE

I have the power to ave your marriage... I know a good lawyer!

(CONTINUED)

MACE WINDU
Don't listen to him!

ANAKIN
No! I need him!

Mace goes to swing his saber with a killing blow. Anakin quickly responds by slicing Mace's hand off.

PALPATINE
Breadsticks!

He shoots lighting at Mace, knocking him off the window ledge.

PALPATINE
Unlimited Breadsticks!

Anakin slumps down.

ANAKIN
What have I done?

PALPATINE
No really, I launched him into an Olive Garden, if he survives the fall-

Palpatine turns to Anakin.

PALPATINE
You're fulfilling your destiny.
Become my apprentice, learn to use
the dark side of the force.

He steps over to his desk and turns on a radio. It begins blaring smooth jazz.

PALPATINE
Can I ask you a question? What do
you think of me?

ANAKIN
What?

PALPATINE
My husband will be back quite late,
should be gone for several hours.

ANAKIN
What's going on here?

PALPATINE

I'm seducing you to the darkside.

He puts his leg up on his desk. CUT TO a shot through a hyper realistic leg in stockings bent. We see Anakin through the sexy leg.

A wolf-whistle plays. Anakin looks uncomfortable.

ANAKIN

Just help me save my marriage.

PALPATINE

Of course... but first, we need code names. Henceforth you shall be known as Darth... Vader.

ANAKIN

Yeah, whatever...

EXT. CORUSCANT - LANDING PLATFORM

Anakin leads an army of clone troopers into the jedi temple.

He enters the temple where a gaggle of children are all huddled around.

YOUNG CHILD

(making baby noises)

ANAKIN

Oh this is goig to be cathartic.

His saber extends into frame.

EXT. UTAPAU

Obi-wan makes his way over to Commander Cody and his troopers. The clones are engaged in battle with droids.

OBI-WAN

There are so many giant chicken-lizards on this planet and I haven't ridden even one of them.

COMMANDER CODY

Oh? We've kind of got a whole battle going on here and you are our general...

(CONTINUED)

OBI-WAN
Yeah, I'm gonna go wrangle one now.

COMMANDER CODY
(annoyed)
... good luck, sir.

He turns to continue dictating the battle.

Suddenly a communicator beeps. Cody pulls out a hologram he can hold in his hand.

Palpatine's small hologram emerges.

PALPATINE
(hologram)
Commander Cody...

INT. PALPATINE'S OFFICE

Palpatine is in his office.

PALPATINE
The time has come. Execute Order
66.

EXT. UTAPAU

COMMANDER CODY
Oh thank the force...

He turns to his troops and points toward Obi-wan.

COMMANDER CODY
Blast him.

One of the clones fires at Obi-wan knocking him off the ledge.

INT. PALPATINE'S OFFICE

PALPATINE
Okay, that was Cody, check.

He crosses Cody off a list, there are thousands of names on the list.

EXT. SNOW PLANET

Ki-adi-mundi is leading his clones into battle.

A clone turns off the hologram of Palpatine.

Ki-adi-mundi motions to his troops to move forward. Instead they open fire on him.

They mercilessly fire into his corpse, just absolutely murder this dude.

EXT. KASHIK

Yoda is ripping the bong hard.

The clones behind him also hold the hologram of Palpatine.

They approach him and are about to fire when suddenly, the lights go out.

Micheal Jackson's thriller blares out over loudspeakers with colorful lights strobing. Chewbacca appears, moonwalking.

The clones are all amused.

Chewbacca pulls out a boltcaster and blows all of the clones away, cutting the music and lights abruptly.

Yoda turns around, confused.

YODA

What?

CHEWBACCA

Bro, you gotta get out of here.

EXT. UTAPAU

Obi-wan swims to the surface, avoiding the clones searching for him.

He makes his way to his ship and takes off.

INT. OBI-WAN'S COCKPIT

Obi-wan tries to send a message over the comms.

(CONTINUED)

OBI-WAN
Is anyone out there? Hello?

Yoda crackles onto the message.

YODA
Obi-wan, read you I do.

OBI-WAN
Master Yoda, my clone troopers have
turned on me and attacked.

YODA
Ah, too did mine. Crazy day, had I.

OBI-WAN
Let's meet on Bail Organa's ship
and discuss our next move.

YODA
Mmhm, agree I do.

EXT. SPACE

Obi-wan meets up with the Tantive IV and enters the ship.

INT. TANTIVE IV

The three walk down the white hallways of the ship.

OBI-WAN
Ok, so what's the plan?

YODA
My thinking weed, I request.

SMASH CUT TO

Yoda and Obi-wan are toking up bongos on the floor.

BAIL ORGANA
This is why we're losing.

YODA
Go to Mustafar you must. There
fight Anakin you will.

OBI-WAN
Why must I fight Anakin?

(CONTINUED)

YODA

Killed younglings he did, turn to
the darkside has he.

OBI-WAN

I can't fight Anakin, he's my
brother...

YODA

Already long enough this movie is,
get to the point we must.

INT. GALACTIC SENATE

PALPATINE

... alright, Senator Rydor from
Lothal.

SENATOR

(o.s.)
Present.

PALPATINE

And finally, Senator Burtoni from
Kamino.

SENATOR

(o.s.)
Present.

PALPATINE

Ok. Good. Roll-call is finished.
Now, first thing on the docket, the
Republic will be reorganized into
the first Galactic Empire, for a
safe and secure society which I
assure you will last for ten
thousand years.

Beat.

The senate erupts into applause.

PALPATINE

Oh, that was a lot easier than I
thought.

EXT. MUSTAFAR

The silver Naboo ship lands at the platform.

Padme and C3P0 walk out.

PADME

Oh, there you are Anakin...

ANAKIN

Padme! I have wonderful news!

PADME

Yeah I've heard everything that's been going on...

ANAKIN

Oh... well you'll be proud to know that I'm second in command to the new galactic empire!

PADME

That's great, listen, did Sheev show you the papers?

ANAKIN

The... the divorce papers? Is that why he had those?

PADME

Yeah, he told me he'd be my divorce attorney, he was a lawyer back on Naboo, you know.

ANAKIN

(dissillusioned)

He... he was?

Obi-wan's ship lands next to them.

OBI-WAN

Anakin, listen to me, I know about the younglings...

ANAKIN

Obi-wan, seriously, I'm trying to have a serious conversation with my wife, why do you always have to third wheel?

PADME

Ex-wife.

(CONTINUED)

OBI-WAN
Anakin, I can help you. Palpatine
has deceived you!

ANAKIN
Oh my god, all we do is talk in
this movie!

Anakin pulls out his lightsaber.

ANAKIN
Let's get to the shit people came
here for.

Obi-wan takes out his saber.

OBI-WAN
Alright, you wanna do this? Fine.
We're doing this.

The two begin to duel, Padme leaves with c3p0.

The two take swings at each other but are equally matched.

ANAKIN
The dark-side isn't so bad, Master.

OBI-WAN
You kill people!

ANAKIN
So have you!

OBI-WAN
Droids do not count as people!

INT. NABOO SHIP

C3po stares.

A small mechanical ding. His eyes light up red. He pulls out
a small piece of paper, a list of names. On it he writes
"Obi-wan."

EXT. MUSTAFAR

Obi-wan and Anakin duel across a bridge over a river of
lava. The bridge cracks and falls into it.

(CONTINUED)

OBI-WAN
This is excruciatingly hot!

ANAKIN
I'm really shocked our skin is
still intact right now.

EXT. CORUSCANT - LANDING PLATFORM

Yoda makes his way to his his little ship.

BAIL ORGANA
Yoda, where are you going?

YODA
Enough of this shit I have had. Be
in the next sequel I will not.

BAIL ORGANA
You're just gonna run away and take
a whole movie off?

YODA
Too old. Mmmm, yes. Too old.

He takes off, his ship bumping muffled rap music.

EXT. MUSTAFAR

Obi-wan and Anakin jump onto small floating droids and begin
coasting along the lava river, still swinging at each other.

As the droids float they see a small area of land, Obi-wan
jumps doing a flip while Anakin contemplates jumping.

The two are panting.

OBI-WAN
Hold on... I need a breather...

ANAKIN
Whoo- yeah, ok me too...

OBI-WAN
Did you see that sweet flip I did?

ANAKIN
That was fucking tight.

(CONTINUED)

OBI-WAN
I didn't think I was going actually
make it!

ANAKIN
Haha! Yeah, was really hoping you
missed that one, would've made my
job a lot easier.

Obi-wan looks up from breathing.

OBI-WAN
Anakin, don't try it. I have the
high ground.

ANAKIN
More like the "you're high"
ground... cause you're always
high...

OBI-WAN
God, you're so lame, maybe I don't
feel bad about kicking your ass.

Anakin jumps and misses his target, Obi-wan swings up and
takes off all of Anakin's remaining limbs.

OBI-WAN
Serves you right! Now you're gonna
have to get robot legs too!

Fire spreads up the hill and catches Anakin.

OBI-WAN
Oh... oh my god, oh no... that's
worse than I had expected.

Obi-wan leaves, Anakin is moaning in pain.

Obi-wan comes back for another moment, taking his saber.

OBI-WAN
Sorry, almost forgot this. I do
love my knick-knacks.

Anakin is still enveloped in fire and screaming.

OBI-WAN
Sorry, sorry, I'll leave you to
this.

Anakin continues to burn.

INT. HOSPITAL

Padme has just finished labor.

PADME
Did Anakin survive?

OBI-WAN
I'm pretty sure he's dead, yeah.

PADME
Good. I'm tired, I need to rest now...

OBI-WAN
Aren't you going to name your twins?

PADME
Oh, right...

He holds up the boy.

PADME
Uhh... L-.. Loo-... Luke!

Then the girl.

PADME
L... Luke II.

OBI-WAN
Luke II?

PADME
Sorry, Lu- Leia. Luke and Leia.

OBI-WAN
I am seriously regretting killing Anakin.

INT. SCARY CAVE HOSPITAL

Palpatine brings Anakin's broken body to an operating table. Several droids work on attaching new limbs for him.

His body is slowly covered in black.

From the ceiling the famous vader helmet lowers onto his head.

Anakin lays, helmet on, still pale faced and scarred.

PALPATINE

Oh, sorry, my bad.

He clicks over to a computer screen that displays the blockland avatar editor.

He clicks on Vader's face and changes the head to black and the face to the mask.

Vader's mechanical breathing can be heard.

The table rises to allow Vader to leave.

PALPATINE

Lord Vader. Can you hear me?

ANAKIN

Yes, my master. Where is Padme?

PALPATINE

It seems, in your anger, you divorced her.

ANAKIN

No, that's not true... we had kids together... no...

He begins to break things around him with the force. He breaks off the table shouting toward the heavens.

ANAKIN

Alimony!

EXT. ALDERAAN

Bail is on the steps of his palace on Alderaan holding baby Leia.

BAIL ORGANA

(over an intercom)

And so then she just ups and leaves the hospital, and no one knows where she is?

OBI-WAN

(over intercom)

She's gone, bro. Just gone.

BAIL ORGANA

Mother of the year, I guess. Well, I'll keep little Luke II-

(CONTINUED)

OBI-WAN
(over intercom)
Leia.

BAIL ORGANA
-Leia safe here on Alderaan.

EXT. TATOOINE

OBI-WAN
(into intercom)
And I'll keep Luke safe here on
Tatooine, Anakin will never think
to look here, he *hates* sand.

BAIL ORGANA
(over intercom)
You'll make a good father, Obi-wan.
May the force be with you.

OBI-WAN
To you as well.

They turn the intercoms off. Obi-wan looks out into the horizon holding baby Luke. Suddenly, he smells something.

OBI-WAN
Oh my god you shit yourself.

EXT. TATOOINE LAR'S HOMESTEAD

Obi-wan is handing over the baby to Beru.

OBI-WAN
His name is Luke I, you can never
tell him his father is Darth Vader,
and he really needs a change.

BERU
And where are you going?

OBI-WAN
Disney Plus.

Obi-wan walks away. Beru and Owen hold baby Luke and look off into the twin sunset of Tatooine.

Holy shit, we did the prequels.
