BLOCK WARS: SAGA

EPISODE IV

STILL NO HOPE

EXT. SPACE

A small cruiser blasts through space over the yellow planet of Tatooine.

Behind it the lumbering star destroyer of the galactic Blockpire.

A volley of laser fire as the small ship gives chase.

INT. REBEL BLOCKADE RUNNER

An explosion rocks the ship as a laser bolt makes contact.

C3P0 and R2D2 make their way down the hall. R2's beeps are, as always, subtitled.

C3P0
Ok, we've done this before.

R2D2
Several times, in fact.

EXT. SPACE

The star destroyer looms over the tiny ship having caught up with it. A tractor beam pulls the ship inward.

INT. REBEL BLOCKADE RUNNER

Rebel troops run through the halls, preparing to be boarded.

They arrive at a sealed door. The ship overhead clanks as they are docked.

The rebels wait in silence for what's to come.

A BLAST.

The door flies outward, crushing the rebels in its path.

Enter, Darth Vader

(CONTINUED)

VADER

Look, we'll be here all day if I just ring the doorbell, and do you really want Jim back there holding a blow torch? I force push the door in, its as easy as that.

INT. REBEL BLOCKADE RUNNER - DEEPER IN

Princess Leia beckons for R2 to approach. She bends over and places a disk inside him.

R2D2

That tickles every time.

C3P0 comes in through the back, seeing his friend.

C3P0

R2, we're really booking it this time, we need to be on that escape pod yesterday.

R2D2

Let's boogie.

EXT. SPACE

The two enter an escape pod. It blasts into space away from the ship and carries the two droids downward to the desert planet.

INT. ESCAPE POD

C3P0

Do you know how to fly and escape pod?

R2D2

Not even remotely.

C3P0

This could be bad.

An alarm starts to beep ominously. Red light begins to flash.

INT. REBEL BLOCKADE RUNNER

Vader and his men have captured Princess Leia.

VADER

Report!

TROOPER 1

The death egg plans are not on the main computer.

VADER

(arcastically)

Darn, if only that were the only place to hide super weapon plans.

The trooper looks confused.

VADER

Keep looking!

He and his squad rush off, embarrassed.

LEIA

Lord Vader, I should have known, only you could be so bold.

VADER

Me? Bold? I'm not the one running halfway across the galaxy with stolen death egg plans while I'm *right behind you*. Or did we all just forget about Rouge One?

LEIA

I don't know what you're talking about, we're on a diplomatic mission.

VADER

You're apart of the rebel alliance and a traitor!

He pauses.

VADER

Get outta heeere!

The remaining stormtroopers take her away. An officer approaches.

(CONTINUED)

COMMANDER

Lord Vader, we've found that an escape pod was jettisoned during our attack but no life forms were aboard.

VADER

(sarcastically)

Man, it's almost like you could put stuff on escape pods other than people... I dunno... super weapon plans, perhaps?

The officer pauses, embarrassed.

COMMANDER

We'll go check the planet, sir.

VADER

Yeah, go do that.

EXT. TATOOINE

The twin suns swelter over the two droids as they make their way across the desert.

C3P0

Oh my god, it's so hot! Why was I programmed to feel heat?

R2 veers off as C3P0 is talking to himself.

C3P0

It's all father's fault. Built me all wrong, custom parts, probably installed Linux, the bastard...

He notices R2 is gone.

C3P0

R2? R2? Where'd you go?

The jawa sand crawler moves slowly in the distance.

C3P0

Maybe I can find help at the giant rhombus.

EXT. TATOOINE - CANYON

R2 has taken what he thought to be a shortcut but is now lost.

R2D2
C3P0? Hello?

He rolls slowly inward. A rustle is heard behind him.

R2D2
C3P0? Is that you?

Suddenly, jawas burst out from behind rocks and blast R2D2 with a stun gun. He falls over flat. The jawas pick him up and carry him to their sandcrawler.

INT. JAWA SANDCRAWLER

The sandcrawler is full of misfit droids. R2 lands in a heap of junk and looks around. Next to him is C3P0.

C3P0
Well, at least I'm not the only droid on Tatooine who ignored the stranger-danger rule.

R2D2
Shut it.

EXT. TATOOINE - CRASH SITE

Stormtroopers comb the desert looking for the missing death egg plans.

One trooper yells to his officer.

TROOPER 1
Someone was in the pod, the tracks go off in this direction.

A second trooper pops his head up, holding a small ring.

TROOPER 2
Look, sir, droids.

TROOPER 3
That is literally debris from the escape pod.

(CONTINUED)

TROOPER 2

What?

TROOPER 3

We've got humanoid prints next to treads, it's obviously a protocol droid and an astromech.

TROOPER 2

So what's this?

TROOPER 3

That's garbage. It's a good try, Tim, but no dice today.

TROOPER 2

Awww.

EXT. TATOOINE - LARS HOMESTEAD

Luke Skywalker is leaving his aunt and uncle's house to go haggle for droids. His aunt calls for him.

BERU

Luke! Luuke!

LUKE

Yeah aunt Beru?

BERU

Tell Owen if he get's a pleasure bot make sure that it has progressive ideology.

LUKE

(unsure)

Uh, okay Beru.

EXT. TATOOINE - IN FRONT OF SANDCRAWLER

Owen is in a staring contest with C3P0.

OWEN

So you speak, like, everything?

C3P0

Fluent in over 60,000 languages.

OWEN

Amazing. I don't need you.

He looks to the jawa.

(CONTINUED)

OWEN

(points to R2)

How about that little blue one over there? What does he speak?

C3P0

Mostly just bitch.

OWEN

(laughs)

Ohh, ok you're funny, maybe I'll find some use for you afterall. What are your thoughts on polyamourus relationships?

C3P0

What?

OWEN

Nevermind, we can make it work, Luke, take these droids back to the garage to get cleaned up.

LUKE

Sure Owen, but I gotta ask, is this, like, a slavery allegory?

OWEN

Sure it is, Luke, just call me Space Lincoln, now get these droids cleaned up!

INT. GARAGE

Luke cleans up the droids the best he can, C3P0 is getting an oil bath.

C3P0

Father never bathed me like this. It's been decades since I've been cleaned.

LUKE

That's quite a long time to not clean a droid, who was your father?

C3P0

You wouldn't know him.

LUKE

So you two have seen a lot of action?

(CONTINUED)

R2D2

No, I've hit a dry spell myself.

C3P0

We're spies on a mission for the rebel alliance.

LUKE

The rebel alliance? That's awesome- I'd give anything to get off of this rock.

R2D2

I'd give anything to get my rock off. If I had rocks.

LUKE

Well there's something jammed up inside you little guy, maybe if I just-

He's cut off, suddenly before them is the hologram of Princess Leia.

LEIA

Help me Obi-wan Kenobi, you're my only hope... how do I turn it off? This button? I hit this-

He's stunned.

LUKE

Hey who's she? She's really hot, like smoking hot.

C3P0

Wait... what did you say your name was?

LUKE

I'm Luke Skywalker.

C3P0

Skywalker?! Ha. Ha ha. Ha ha ha ha! Well I know one thing for sure, she is definitely not your sister and you should pursue this.

LUKE

Obi-wan Kenobi? Hmm, I wonder if she means Old Ben Kenobi out in the dune sea... or Chuck Kenobi, the dentist. Or Larry Kenobi, he sells drugs.

(CONTINUED)

R2D2

I swear to the force if this
redneck don't stop rambling about
these hick town people...

C3P0

Listen, Luke, I've met Obi-wan
Kenobi, he's an old aquantince of
R2 and I.

LUKE

Oh well then I should take you to
him, he'll know what to do!

Luke runs off to grab his landspeeder.

C3P0

The boy isn't bright, but he's my
brother, and he has just as much a
stake in destroying father as I do.

EXT. TATOOINE

Luke's speeder races across the desert as they head for
Obi-wan's hut. Suddenly up ahead are some bantha.

LUKE

Oh no, bantha.

C3P0

Bantha? What's a bantha?

R2D2

It's a fruity soda.

Luke gets out to survey.

LUKE

Uhg, it's blocking the path but I
don't see any sand people around-

Out of nowhere a sand person descends upon the trio and
attempts to scare them, knocking Luke to the ground.

In the distance a stange noise echoes across the canyons. A
cloaked figure approaches.

The sandpeople flee in terror of this new person.

OBI-WAN

(to R2)

Hello there.

(CONTINUED)

R2D2

Ahhhh, he's still got it!

OBI-WAN

It's good to see you R2, and C3P0,
my goodness it's been ages.

LUKE

Ben! So you do know these droids!

OBI-WAN

Luke, what are you doing out here
in the wastelands?

LUKE

We were trying to get to your hut.
I've got a message from some
princess, she's looking for an
Obi-wan.

OBI-WAN

Obi-wan, now that's a name I
haven't heard in a long time...

LUKE

How long?

OBI-WAN

At least a few days, it gets very
lonely in the desert. Come! We
should head back to my place, the
sandpeople are wicked good shots,
I've seen them fuck up a podracer
to here and back.

INT. OBI-WAN'S HUT

LUKE

My father wasn't some one-armed,
whiney tween, he was a navigator on
a spice freighter.

OBI-WAN

Ah good, your uncle has kept the
family secret.

LUKE

What secret?

OBI-WAN

Exactly. Here, your father would
have wanted you to have this when
you were old enough.

(CONTINUED)

Obi-wan gets up and grabs something from a chest.

OBI-WAN

It was your father's lightsaber.
This lightsaber has been used for
many, many murders. Now it is your
turn.

C3P0

How come I don't get anything from
father?

OBI-WAN

You inherited his sassiness.

C3P0

Fair enough.

OBI-WAN

So, little one, what message do you
have for me?

R2 spits out the recording.

LEIA

General Kenobi, years ago you
served my father during the Clone
Wars- the Gennedy Tartakovsky Clone
Wars. Now he begs you to help him
with his struggle against the
Blockpire. Unfortuently Vader and
his goons have swarmed my ship so I
gave the plans to R2D2 because he's
always good for a laugh. Please,
bring the plans back to Alderaan.
Help me Obi-wan Kenobi, you're my
only hope... how do I turn it off?
This button? I hit this-

Obi-wan pauses and takes it in.

OBI-WAN

You must learn the ways of the
force if you're to come with me to
Alderaan.

LUKE

Is that something that can be
taught in a day?

OBI-WAN

Eh, I'm old and shitty now so I'm
winging it anyway.

INT. DEATH EGG - CONFERENCE ROOM

An assortment of high command, generals and officers, all are seated around a table on the death egg. They're squabbling about something as Vader walks in.

GENERAL

This battlestation is now fully operational. It can withstand any attack. It is impenetrable.

GENERAL 2

Except for, you know, the anus.

VADER

I'm sorry, the anus?

GENERAL

Perfectly within simulation, my lord.

VADER

The... anus?

GENERAL 2

Yeah, death egg's got an anus.

GENERAL

It's a small ventilation shaft, maybe 2 meters wide, no bigger than a womp rat.

VADER

I dunno, I've seen some pretty big womp rats in my time. The ship is big, General, I'll give you that, but if it's got an anus then we should plug it.

GENERAL 2

Operation Constipation is underway, sir.

VADER

Good. Meeting adjourned then.

They all pause for a beat.

VADER

I feel like I'm supposed to be force choking one of you.

(CONTINUED)

GENERAL

This is the special special
edition, sir.

VADER

Ah, got it, somebody has to shoot
me first.

EXT. TATOOINE - CLIFFSIDE

Luke, Obi-wan, and the droids all approach.

OBI-WAN

Mos Eisley Spaceport. You will
never find a more wretched hive of
scum and villainy, and over there
they have the best fucking hot
wings.

EXT. TATOOINE - MOS EISLEY

The group ride up in Luke's land speeder and are approached
by some sandtroopers.

TROOPER 1

How long have you had these droids?

LUKE

Technically my whole life, the
proticol droid is my brother.

The trooper looks at Luke, then C3P0 but is confused.

TROOPER 1

Let me see your identification.

OBI-WAN

You don't want to sell me
deathsticks.

TROOPER 1

I don't want to sell you
deathsticks.

OBI-WAN

You want to go home and rethink
your life.

TROOPER 1

I want to go home and rethink my
life.

(CONTINUED)

The trooper walks away as Luke speeds off.

LUKE
Death sticks?

OBI-WAN
So, confession, I'm not very good
at jedi mind tricks and I only
really know the one. It has only
been situationally useful *once*.

INT. CANTINA

Music blares as the group wander into the cantina looking
for transport.

LUKE
What about that guy?

OBI-WAN
Eh, he looks like the wolf man.

LUKE
What about him?

OBI-WAN
That's literally satan. Satan is at
the bar tonight.

He spots Chewbacca.

OBI-WAN
Oh my god, look it's Yoda's wookiee
friend, what are the chances- will
of the force I guess. Let's go say
hi!

They approach the table that Chewie is sitting.

OBI-WAN
Hello there.

CHEWBACCA
roars

HAN
Han Solo, captain of the millenium
falcon.

OBI-WAN
Why yes, we're looking for
transport.

(CONTINUED)

HAN

Whats the cargo?

OBI-WAN

Myself, the boy, two droids. And no questions asked.

HAN

I don't do the whole concubine thing.

OBI-WAN

We're trying to outrun the law, we're illegal space wizards.

Han looks confused.

HAN

Yeah that sounds kinky enough for me, I'm in. Let's load up.

EXT. TATOOINE - MOS EISLEY

As they leave Obi-wan takes Luke aside.

OBI-WAN

You'll have to sell your speeder so we can pay for the trip.

LUKE

That's ok, I'm never coming back to this planet again except probably at least once more in an elaborate Jabba the Hutt scheme.

INT. DEATH EGG - BRIDGE

GRAND MOFF TARKIN

Lord Vader, the princess' resistance to the mind probe is considerable. If I didn't know any better, I'd say she was a Jedi.

VADER

Ha! Nah, I murdered them all in cold blood. What are you suggesting then, Moffy?

GRAND MOFF TARKIN

Perhaps, an alternative form of persuasion?

(CONTINUED)

VADER
... seduction?

GRAND MOFF TARKIN
Let's blow up her planet with the
death egg.

VADER
Ah, yes, better plan! Set your
course for Alderaan!

EXT. TATOOINE - HANGAR BAY

Luke, Obi-wan, and the droids meet Han in the hangar bay to
see the falcon for the first time.

LUKE
What a fine peice of craftsmanship.

HAN
Hey now, she'll make point five
beyond- oh. Wait you like it?

LUKE
I was compelled to complain about
the shoddy design but then I
remembered you were doing us a
favor for money and not the
kindness of your heart and could
rescind the offer at any time so I
figured I'd be polite.

HAN
How refreshing!

Suddenly troopers swarm the hangar.

TROOPER 1
Hey! Those look like the droids
we're lookign for! Blast em!

They start firing.

The group all boards the ship quickly. The falcon takes off
and heads toward the sky.

EXT. SPACE

The pirate ship blasts off into space.

INT. FALCON COCKPIT

Han pushes on a level at the control panel and the stars around them begin to bleed as the ship launches itself into hyperspace.

INT. DEATH EGG - BRIDGE

A general aproaches Vader and Tarkin.

GENERAL

We've enterd the Alderaan system,
sir.

Leia is broght forward.

LEIA

Ah, Grand Moff Tarkin, I should
have expected to find you holding
Vader's leash.

VADER

Just because I wear black leather
people think I'm into that.

LEIA

I recognized your foul stench when
I was brought aboard.

Vader lets a fart squeak out.

VADER

Oop.

GRAND MOFF TARKIN

So tell me, princess, where are
your friends located? Where is the
rebel base?

LEIA

I'll never tell you.

GRAND MOFF TARKIN

Then perhaps I shall test this
battlestation on your home planet
of Alderaan!

(CONTINUED)

LEIA

No! Alderaan is a peaceful planet,
we have no weapons!

VADER

None? How do you defend yourself if
needed?

LEIA

We, uh-

VADER

Oh this is good, Tarkin, blow it
up, I want to wipe Jimmy Schmits
smug face off this galaxy.

Tarkin pushes a large red button, the death egg laser fires,
blowing up the planet instantly.

VADER

That's for the West Wing.

INT. FALCON

Luke trains with a small floating droid.

LUKE

Amazing you just had this little
Jedi training droid, Han.

HAN

I may or may not have raided a few
Jedi temples in my time.

OBI-WAN

Those are sacred...

HAN

And full of old trinkets that sell
well!

Obi-wan suddenly clutches his chest.

LUKE

What's wrong?

OBI-WAN

Either a whole bunch of people just
died or I've got wicked heartburn.

A small red light flashes on Han's console.

(CONTINUED)

HAN
Looks like we're coming up on the
Alderaan system.

He steps into the cockpit and the rest follow.

INT. FALCON COCKPIT

The ship emerges from hyperspace, but there is no planet.

HAN
Well that's funny.

OBI-WAN
Yeah?

HAN
No Alderaan in sight.

OBI-WAN
Gone, huh?

HAN
Yup. Well, guess we gotta go back.

Suddenly the ship rumbles.

HAN
What was that?

OBI-WAN
We're caught in a tractor beam!

HAN
Tractor beam from what? That small
moon over there?

OBI-WAN
That's.... not actually a celestial
body that orbits a planet.

HAN
Next time just say small moon.

EXT. DEATH EGG

The ship is pulled toward the massive hangar of the death
egg.

INT. DEATH EGG - HANGAR

The falcon is forced to land. Troopers all begin to board and search it.

TROOPER 1
(inside the falcon)
Boy, sure do hope there isn't
anyone in here trying to conk me
out and take my armor as a disguise!

TROOPER 2
(in falcon)
Why do you say that every time we
entere a boarded ship?

TROOPER 1
I dunno, sounds right I guess-

He is whacked over the head. Han and Luke emerge the falcon in stormtrooper gear.

LUKE
Alright, there's a good chance that
this is the place they're holding
the princess.

HAN
What princess?

LUKE
She's the one who gave us the
secret mission, keep up Han.

HAN
Secret mission?

OBI-WAN
You boys head down to the detention
block, I'll go fuss out the tractor
beam so we can escape. Droids, you
stay with the ship and keep it
company.

C3P0
What a daring mission.

R2D2
I'm enthralled.

LUKE
Ok, but you have to promise me this
isn't your marytr moment.

(CONTINUED)

OBI-WAN
I have lived longer than I intended
to Luke, I can make no promises.

INT. DEATH EGG - DETENTION BLOCK

Han, Luke and Chewie make their way down to the detention
blocks.

HAN
So this pricess, is she hot?

LUKE
She's pretty hot and I've been
informed is totally not my sister.

HAN
That's an oddly specific thing to
be informed about.

LUKE
Here!

He comes across a door that has "Leia" written in crayon on
it.

He opens the door. Inside is Leia.

LEIA
Aren't you a little short to be a
strom trooper?

LUKE
Everyone we know is exactly the
same height how have you not
noticed this yet.

He takes off his helmet.

LUKE
I'm Luke Skywalker, I'm here to
rescue you, I've got your droids!

LEIA
The droids with the super weapon
plans hidden inside?

LUKE
Yeah!

LEIA

And you... brought them to the super weapon?

LUKE

Well yeah, I... oh no I'm seeing what you're saying, that was a stupid move.

Han rushes by the door.

HAN

Kid, no time! We've got company!

Troopers are stroming the cell blocks. Luke and Leia flee.

HAN

We gotta get out of here!

LEIA

Here, gimme your gun!

She blasts open a small grate on the wall and they all rush down.

INT. DEATH EGG - GARBAGE COMPACTOR

They are surrounded by water and garbage.

HAN

Aw, man, Luke when I signed up for this job I didn't think I'd have to get wet, I didn't dress accordingly.

LUKE

Do you get warned on other occasions to wear clothes to get wet in?

HAN

I, uh...

LEIA

Do you check the forecast for rain and instead of an umbrella you put on special underwear?

A blockhead dressed as Lord Tony briefly surfaces then goes back under,

(CONTINUED)

LEIA

Oh, what a vile creature.

Suddenly the walls start to close in.

LUKE

Oh great, I didn't wear my getting
crushed shirt.

HAN

Oh shut up!

INT. DEATH EGG - OUTSIDE GARBAGE COMPACTOR

The door is suddenly burst open, a little water and garbage
spilling out as the group collapses.

HAN

Whew, that was close.

LEIA

Good thing we wore our break down
the door pants.

HAN

Alright! I get it!

Everyone laughs.

INT. DEATH EGG - CONFERENCE ROOM

Vader and Tarkin are monitoring some security screens.
Suddenly, he sees Obi-wan.

We flashback to Mustafar briefly as we hear Anakin
Skywalker's screams.

VADER

I must kill him.

INT. DEATH EGG - TRACTOR BEAM CONTROLS

Obi-wan finds the controls for the tractor beam and begins
turning them off.

He sees a switch that says "hot water tank" vader's
bathroom" and turns that off while chuckling, then leaves.

INT. DEATH EGG - HALLWAY

Obi-wan makes his way out from the tractor beam room but is stopped by Vader.

OBI-WAN
The last time we fought... it was pretty cool.

VADER
You did a kickass flip.

OBI-WAN
Hey, sorry you got burned. I meant to check in but I figured you'd died.

VADER
I must end you.

They begin to fight.

INT. DEATH EGG - HANGAR

Luke and the gang have made their way back to the falcon, but are surprised to see Obi-wan fighting Vader.

A few stomtroopers have set up chairs and are eating popcorn.

INT. DEATH EGG - HALLWAY

OBI-WAN
If you strike me down, I shall become a disembodied voice in Luke's head who gives him vague advice.

VADER
I feel like you worded that wrong.

Vader swings, taking Obi-wan down. Luke, onlooking, screams out.

LUKE
No!

He begins firing his blaster at Vader but barely hits anything.

The group rush onto the falcon. It takes off and blows out of the Death Egg.

EXT. YAVIN

The falcon lands on Yavin at the secret rebel base.

WILLARD
Leia! And... friends?

LUKE
Hi, we're rebels now.

WILLARD
Uh-huh.

INT. DEATH EGG - BRIDGE

Vader walks in.

GRAND MOFF TARKIN
I can't believe you let them get away while you fought with a crusty old geezer.

VADER
Don't worry, I slipped a tracking device on that ship before they could leave.

GRAND MOFF TARKIN
Sometimes you surprise even me, Vader.

VADER
Well, at least I'm gonna be alive for the next two movies.

GRAND MOFF TARKIN
What?

VADER
Nothing.

INT. YAVIN BASE

Dodonna stands before a large display detailing the attack plan of the rebels.

DODANNA
So here's the thing, turns out the Death Egg has an anus.

(CONTINUED)

WEDGE

An anus, sir?

DODANNA

Yup, big ol anus. Bigger than a womp-there-it-is rat.

LUKE

I used to bullseye those.

DODANNA

Strange thing to say in front of other people. The plan is to get a torpedo into the anus.

WEDGE

No computer could hit that target, you'd have to be able to bullseye a wo-

They all turn and look at Luke.

DODANNA

Alright, creepy farmboy, you're up.

INT. DEATH EGG - BRIDGE

INTERCOM

The rebel base will be in firing range in 30 minutes.

Vader approaches some stormtroopers.

VADER

Alright boys, suit up and get to your tie fighters, those little suckers are gonna be all over our anus today.

He walks away.

TROOPER 1

They're gonna do what to our where?

INT. YAVIN BASE - HANGAR

Luke is suited up and preparing for the battle. Han goes to say goodbye. R@ is loaded into the x-wing.

(CONTINUED)

LUKE

So that's it? You get your reward
and you leave?

HAN

Listen, kid, I'm gonna come back to
save your ass in the last minute, I
just gotta make it look cool.

LUKE

Yeah I guess that would look cool.

EXT. YAVIN

The x-wings begin to take off toward the Death Egg.

EXT. SPACE - DEATH EGG

The x-wings all take formation around the Death Egg.

LUKE

This is red five standing by.

WEDGE

Red seven, standing by.

RED ONE

Red one is good to go.

RED THREE

Red three is ready to munch some
lunch.

RED TWO

Red two, buckle my shoe.

LEIA

Ok guys, we get it.

EXT. DEATH EGG - SURFACE

The fighters make their way to the surface.

RED ONE

Ok, prepare for approach.

Suddenly, three tie fighters take on the x-wing, blowing up
many of them.

(CONTINUED)

WEDGE

Ahg! They're all on us Luke! Looks like you're going to have to make the torpedo run!

LUKE

(chanting to himself)

Ok, just like womp rats, just like womp rats, just like womp rats...

Luke approaches the trench. The tie fighters are hot on his tail.

INT. VADER'S TIE

VADER

I'm on the leader.

EXT. DEATH EGG - SURFACE

Luke is nervous.

LUKE

Ahh, he's on my booty hole!

RED THREE

You gotta get that torpedo in their booty hole!

INT. VADER'S TIE

VADER

I've got you now, and no disembodied voice is gonna save you...

EXT. SPACE - DEATH EGG

Like promised, the millenium falcon descends onto the Death Egg unseen until now, blasting downward.

EXT. DEATH EGG - SURFACE

The tie next to Vader is shot down, causing the other to tumble into his tie, pushing him out into space then crashing into a wall.

INT. VADER'S TIE

VADER
(spinning)
What the fuuuuuuuuuuuuuuuuuuuuccck?

EXT. DEATH EGG - SURFACE

HAN
(over com)
You're all clear kid, now let's
blow this asshole wide open.

LUKE
Heh, gross.

Luke approaches the target, growing more and more uncertain.

LUKE
Uhhh, I don't know guys, that's a
pretty small womprat!

A voice

OBI-WAN
(o.s.)
Use the force, Luke. Let go.

LUKE
Ben?

OBI-WAN
(o.s.)
Trust me. I'm a disembodied voice
now.

LUKE
You're right, I've always trusted
ghosts!

Luke switches off his targeting computer and starts grunting
in concentration.

He fires the torpedo, it goes in.

EXT. SPACE

The Death Egg looms over the Yavin moon.

It blows up violently and with force, the x-wings and the
falcon all fly away safely.

INT. YAVIN THRONE ROOM

The trio of Han, Luke, and Chewie all walk down the aisle as triumphant music blares.

They are presented with a medal of honor, even Chewie, because why not, it's my world now, not George's.

Everyone claps, Chewie roars, I can't believe it but I've written this movie for like the fifth time.

IRIS OUT

CREDITS

INT. VADER'S TIE

The tie fighter has listed off into space, but Vader has regained control.

VADER

Man, I can't believe they blew up my Death Egg. The emperor is gonna be so pissed.

He clicks through his computer files for a few minutes.

VADER

What did they say that kid's name was again? Duke? Lewk?

He scrolls over his files, there in the galactic registry is a "Luke Skywalker: Tatooine"

VADER

Luke... Skywalker... Tatooine?

He ponders.

VADER

I have a... son?

INT. YAVIN BASE

C3P0, resting, stares into space. Suddenly, his eyes go red.
